

# DIBELS Score Loader

## Accessing the DIBELS Score Loader

To access the DIBELS Assessment Loader from any page within RightPath™, you can hover over **Data Center** and click on **'Add Benchmark Scores'**. This will open the **DIBELS Score Loader**.

## Adding Benchmark Scores

Once you arrive at the **DIBELS Score Loader**, you will first need to do the following:

1. Begin typing the name of the class or teacher in the space provided next to **Class**. Once you identify the class you would like to select, you can click on the name of the class.
2. Choose the **Assessment Type** from the dropdown menu.
3. Choose the **Assessment Time** from the dropdown menu.
4. Choose the **Assessment Date** by clicking the calendar icon and selecting the date of the assessment.

The form contains four input fields: 'Class' (a dropdown menu with 'Select a Class' text), 'Assessment Type' (a dropdown menu with 'Select an Exam' text), 'Assessment Time' (a dropdown menu with 'Select an Exam Time' text), and 'Assessment Date' (a text input field with a calendar icon). Each input field is numbered with a red circle containing the number 1, 2, 3, and 4 respectively. Below the form is a 'Save Scores' button.

## Inputting Scores

After you have made the selections above, you can now enter in the score for each student in the provided list. The score can be typed into the text field next to each student's name. Please note that if a student does not have a score, you may leave the field blank.
